

DEEP DIVE

Over the next 2 months we will be in a series called deep dive. During this series we will breakdown the book of James. Our intention is to go deeper and challenge students to learn how to own their faith while living it out well. The Book of James is known as the proverbs of the new testament. This book its a great study because it is very to the point and calls out a lot of potential flaws a believer may deal with. We have heard from our students that they understand the importance of the Gospel, but they are craving to know more and dive deeper into the word, so this is exactly what we will do over the next 2 months.

QUESTIONS:

- WHAT DO YOU THINK GOD IS TEACHING YOU FROM TONIGHT'S MESSAGE?
- WHAT IN THE MESSAGE WAS HARD TO UNDERSTAND OR DIFFICULT TO HEAR?
- WHAT PRACTICAL STEP DO YOU NEED TO TAKE IN RESPONSE TO TONIGHT'S MESSAGE?

ACCOUNTABILITY:

Leader Note: Take time to have every student share their "Three R's" (listed below). As a leader, be sure to write down or take a mental note of things students say and check in on some of those things the following week to help model accountability!

- **RELATIONSHIP with GOD**
How is your relationship with God?
- **RELATIONSHIP with OTHERS**
How is your relationship with other people in your life? Friends, family, significant other, etc?
- **REAL LIFE**
How is life actually going? Is there anything you need prayer for?

PRAYER:

Take time to pray over specific prayer requests or things that came up during the 3 R's.
