

WHITE WASHED TOMBS

DISCUSSION QUESTIONS

1. What do you feel like God was trying to tell you with tonight's message?
2. Tonight we learned that humility prepares our hearts for worship. How would you explain what humility is to a friend at school?
3. Josh talked about humility coming from a place of reverence, a place of need, and a place of hope. Which of these is most difficult for you to live out on a daily basis? Why?
4. What do you think prevents you from worshipping with all you have during worship music sets? What prevents most you from worshipping God with your life outside the church?

ACCOUNTABILITY

- If what we worship is what we give our time, energy, and love to, what do you worship most?
- What "veil" do you need to remove so that you can offer your life as a living sacrifice? (Sin/Self/Salvation)

PRAYER

- PRAY that God would reveal any idols in your life so you can remove them to worship God alone & PRAY that you would enter into God's presence confidently and worship God with all that you are daily.
