

CREATION

DISCUSSION QUESTIONS (30 mins)

Why do people create things; Specifically in the image of themselves or others?

Why does our perception of a creator give the things they create more value? (Kanye - music, Van Gogh - Art, Elon Musk - Cars)

How can we see these qualities of value and worth displayed through God's creation of man?

When we don't believe in our own worth, how does that point towards our own distorted image of God?

PRAYER & ACCOUNTABILITY (5 mins)

Pray that you would be able to see your God given value and worth, and that you would lift each other up to see that as well.
